

Join us for – Jesus in the Book of Revelation

Angels at Mamre (Holy Trinity) by Andrei Rublev, 15th Century

Beyond images of fire and falling stars, the Book of Revelation develops an elaborate portrait of a Christ with many Faces who stands at the center of life—on earth and in heaven—alongside God the Father Almighty in the power of the Holy Spirit.

This Apocalypse invites us not only to behold the symbolic universe that the text creates, but also to step into that world of vision and be transformed in the process.

Msgr. Robert Nusca will introduce us to the Book of Revelation and its meaning, drawing on the faces of Christ and the associated hymns.
